

# Emra Expressions

## Used by Him

As we lead a Foundational Principles Of Family Peace Seminar we always start out slowly, but as the day goes on we get more comfortable.

A few weeks ago, Janet and Richard (not their real names) eventually shared information about a situation with which they were dealing.

It was heart breaking. We stopped teaching and began to pray - all of us praying for this one family. We prayed that God would be glorified and that the parents would be able to see God at work even in the difficulty they were experiencing.

When we got back together after lunch we could tell there was something to share - they were so excited it looked like they were bouncing.

The short version is this.

In the middle of a difficult discussion with one of their sons they were able to use one thing we talked about in the morning session to diffuse the tension, bring them all together and end the discussion on a positive note.

We were thrilled to see such an immediate answer to prayer.

At the end of the day we always give people a chance to write a quote that tells other people about the seminar. This is what we received from Richard:

The Foundational Principles of Family Peace Seminar was like manna from Heaven at this stage of our parenting lives. We learned practical tips and systems to work with our younger girls, as well as strategies and methods to successfully continue parenting our young adult boys.

John and Sheryl speak from the heart, and help over-stressed parents listen to the Holy Spirit for parenting help.

Thank you for making it possible by your prayers and through your giving for us to be involved with and see God reach down and touch this family.

We have been blessed to be used by Him - I pray you are blessed too.

In His grip,

John

### Prayer Requests

*This month we have two huge prayer requests to share.*

*Later this month we will be traveling to England to be with John and Sally for seven weeks.*

*On March 28th we will be leading an all day seminar The components of Life Is Full Of Choices will be taught in some general sessions.. John Emra will lead break out sessions that will teach parenting components. Sheryl and Sally will lead sessions teaching How to Connect With God and John Childress will apply the LIFOC Principles to Addictive Behaviors.*

*Pray that as we are there we can assist John and Sally in their ministry, be able to observe their daily actions so we can better mentor them from a distance and we will be able to develop ministry contacts for us within England.*

*Use the enclosed response card to be a part of the growth of this part of the ministry.*

*After 29 years in Los Angeles we are answering Gods call to move to Dallas, Texas.*

*We have trained enough Churches here in Los Angeles that the ministry will go on without us. So now a small group of people are moving to Dallas to do there what we have done here.*

*We will be starting S.A.Y. Yes Centers there and we will use that as our central location from which to travel for Life Is Full Of Choices.*

*Your prayers are most appreciated.*
