Happy New Year!

We rejoice in all that God did in 2015 and look forward to what He will be doing in 2016.

JANUARY 2016
VOLUME 37, ISSUE 1

The Lord has brought us an opportunity to work with a four month old storefront Church in south Dallas, TX. (We are learning that south Dallas is one of the poorer sections of Dallas.) Pastor Russel and his wife feel a call to reach out into this neighborhood. Though the Church may be small in number, the Spirit of the Lord is there!!!

We spent New Year's Eve with this Church: listening to God's word, praying, eating great southern food, watching the movie, "War Room" and having warm fellowship together.

We begin this Sunday evening, January 10th, for 7 weeks, teaching the principles of "Life is Full of Choices." Pastor Russel has read John's first book, Cornerstones and Core Needs of Growing Kids, and is excited to have his people 1) learn how to take responsibility for their own actions and 2) not be held captive by their past.

The pastor also wants to start a S.A.Y. YES! after-school program as soon as possible.

We will continue working alongside Cru Inner City (Campus Crusade for Christ) as they reach out to pastors and congregations in the poorer sections of the Dallas/Fort Worth area. John has already been asked to help by building relationships with pastors and Churches that are interested in S.A.Y. Yes!

We continue to ask for your prayers as we reach out to encourage and come alongside those who are leaders in this section of the country.

Little by little God is showing us the exciting things that are in store for us. May God be glorified in 2016 through each one of us!

Blessing,

Sheryl

The contributions you make to Life Is Full Of Choices enable us to reach out to the people of South Dallas, the larger area of Dallas / Fort Worth, all across the United States and even internationally.

We do this by sitting down with people and listening - then talking / teaching them about the concepts of Life Is Full Of Choice and how those simple concepts can empower, release guilt and provide freedom from past hurts.

They are not just simple concepts, they are Biblical!

Answered Prayer

Sheryl has recovered from her bout of Bronchitis.

As you can tell from the letter, God is opening doors for us with "divine appointments" and for S.A.Y. Yes.

Recent events (the tornadoes) remind us of the importance of your continued prayers both for our safety and for the details of the ministry. Thank you for those prayers!!!

Prayer Requests

You probably have heard about the tornadoes that touched down recently near Dallas.

We are alright - but the closest one was about 5 miles from us.

It is really quite unnerving to drive through a neighborhood and see total devastation. Then you cross an invisible line and there is no damage at all.

Please pray for those who suffered damage or the loss of a loved one.
